

Young Agrarians is hosting a Low Stress Livestock Handling Clinic on June 8th and 9th near Grimshaw, AB. Dylan's workshops are fun and practical, and have saved many people hours upon hours, as well as undue stress, while working with cattle. Would you be willing to share this information with folks within your network, and/or on social media?

The event details and poster are below:

“Low-stress livestock handling can contribute to the well being of your cattle by allowing you to handle them in all situations in a safe, calm, efficient manner — effectively minimizing the amount of stress you expose your cattle to.” Dylan Biggs

Are you running your herd of cattle or are they running you? There is lot's to learn and to know about not only the behavior of our animals but also about the way we are handling them. Come on out for the two-day workshop at Nature's Way Farm in Grimshaw. [Dylan Biggs](#) from [TK Ranch](#) is going to share his incredible knowledge and experience with the Peace Country folks. This 2-day workshop includes theoretical and practical components. Plus join us for a tour of Nature's Way Farm and a musical final on Saturday night with the local beekeeper and singer/songwriter The Honey Cowboy.

When: June 8+9, 2019

Where: Nature's Way Farm- Grimshaw, AB- 10 km south of Grimshaw on Range Road 242

Cost: (This is a 2-Day Workshop)

- \$250 Single
- \$200 Additional Farm Unit
- \$80 Younger Agrarians (if you are 12-18 years old)
- Free admission for Kids under the age of 12 years

Register: Pre-registering required
