

Hay, Silage & Soil Probe Rental

Hay & Silage Probes

The PRFA of BC has a variety of feed probes available to rent - drill or brute strength driven!

Probe rental rate (PRFA of BC members only): **\$10/day**

Rental starts from the day of pickup and continues until it is returned.

- 1 - Push-type ABS Multi-Forage Sampler
- 3 - Push Type Uni-Forage Sampler
- 1 - Drill-Driven Spiral-Assist Uni-Forage Sampler*
- 1 - Long Drill-Driven Probe for Silage*

* Drill-Driven probes require an 18 Volt drill. Battery power drains quickly so have a couple on hand for repeated sampling.

Soil Probe

The PRFA of BC has a Star-Quality Soil Sampler with Step-on Attachment available for rent.

Probe rental rate (PRFA of BC members only): **\$10/day**

Rental starts from the day of pickup and goes until it is dropped off.
